Drive the Highest Off-road Driving Course in the UK—The Ultimate Off-Road Driving Experience

Overview:

Climb aboard and take control of a powerful Land Rover Defender with an experienced instructor at your side. Find out what these vehicles can really do on the highest off-road driving course in the UK. Forge your way along forest tracks, through mountain burns and up heather clad slopes.

The trailing course is Challenging, Adventurous and Exciting!

Benefits:

Developing off road driving skills in the company of a qualified instructor brings a sense of achievement and confidence. There is also the option of a scoring system to create a unique off-road team challenge event.

'That was amazing—I won't look at a Land Rover in the same way again now that I know what they are capable of!'
