

TEAM CHALLENGES

Highland Safaris operate a unique and exciting portfolio of Team Building Challenges and activities within their Highland Perthshire Estate which bring teams together in the spirit of fun and adventure.

A unique journey of discovery

LOST IN THE HIGHLANDS

This unique 4 x 4 off-road orienteering challenge tracks a Highland Legend on our Highland Perthshire Estates.

Overview:

The Legend of The Stone of Destiny

In 1296 Edward 1st 'the hammer of the Scots' raided Scone Palace searching for the stone on which Scottish Kings were traditionally crowned. Legend has it that the real stone was spirited away by the Scottish Knights Templar; the hereditary keepers of the stone, and hidden somewhere in the Highlands near the village of Dull. One thing is certain; the Stone of Scone has become a Holy Grail in its own right. Men and women have fought to possess it or to obscure it from those unworthy to lay claim to the Stone.

The Challenge:

With an experienced Instructor, take the wheel of a Land Rover Defender, check out the capabilities of these awesome vehicles and drive the trail. This unique challenge is all about locating a series of markers at various off road locations. Find them all to reveal the ultimate answer to a mystery handed down from father to son; a Highland Da Vinci code of sorts, that lives on to this day.

Benefits:

Developing off road driving skills in the company of your instructor brings a sense of achievement and develops trust and confidence within a team.

Skills addressed:

- Individual and Team Motivation
- Confidence
- Decision making
- Time management

Ideal for:
