MOUNTAIN SAFARI

Sit back and enjoy a ranger driven Mountain Safari with spectacular scenery and wildlife habitats.

Overview:

Our personalised Mountain Safaris offer guests the opportunity to marvel at scenery in a land steeped in history and to explore one of Europe's last wildernesses.

Our Perthshire Estate is home to Wild Red Deer, Red Grouse and Golden Eagle. In the company of knowledgeable kilted guides we have access to over 250,000 acres of private land to explore, reaching heights of 2 - 3000ft. This exclusive safari passes mountain lochans and ancient settlements travelling through forests and moors on private hill tracks. There will be plenty of opportunity to stop and admire the views so do not forget your camera! At a scenic outcrop sample a memorable 'dram' of whisky.

A Mountain Safari will allow you to enjoy some of Scotland's most awe-inspiring and breathtaking scenery in the company of a kilted ranger
